

# Promoters' Information

Yorke Dance Project tours throughout Britain and internationally. We offer a wide ranging small to medium-scale repertoire that can be programmed, as appropriate, within our usual mixed-bill format.

The 7- strong Company can perform up to a maximum of seven performances per week, requiring an ideal stage performing size of 10m x 10m, smaller depending on the repertoire.

## Touring requirements

Yorke Dance Project's touring requirements are very flexible and the Company is always open to negotiation. This information is for guidance only. The Company usually tours 10 people which includes 7 dancers, production manager, artistic team and tour manager.

## Performances

- The Company is generally available for single night or longer bookings (maximum Tuesday - Saturday)
- At least three different pieces by different choreographers are performed and this selection can be tailored to meet requirements within the repertoire available.
- The average performance lasts 1 hour 30 minutes with a maximum of two intervals and one pause.

## Production information

- Each performance uses all 7 dancers.
- The company usually travels with 1 crew member and needs no more than 1 local crew member if that, depending on the venue technical specifications
- Same day get in and performance

## Venue requirements

- Preferred auditorium capacity is from 80 - 350 seats.
- Ideally the minimum stage area is 8m wide x 8m deep x 5m high
- Existing lighting rig to specification agreed by the company's Technical Director or provision to install company's lighting rig
- Existing sound system to specification agreed by the company's Technical Director or provision for installation of company's sound equipment.
